Only as old as you feel...

When Martha turned 100, the mayor arrived with flowers and said, "It's amazing how well you manage, but how about maid service a couple of times a week?"

Martha thought about this a few days, called the mayor back and said, "I'm OK with the maid service, but it has to be close enough so I can ride my bike!"

A note from
Chef Rob

Hi Everyone -

To put the tea issue to rest, Lipton Green Tea is at the center of pesticide controversy. We have and only serve Bigelow Green Tea which is not on any list.

We serve Lipton regular and decaffeinated teas which are also not on any list.

Thanks for bringing the issue to my attention.

Rob

Dear Friends,

Thank you so very much for all the lovely cards, wishes and prayers that were sent my way for my birthday.

I enjoyed the entire day!
